ENJOY SILENT, DYNAMIC
F850 *SILKY*

F850 Silky

EVOLUTION

24V Dual Motor Front-Wheel Drive System

Breakaway from rear-wheel drive system which directly connected to wheels and applied the world's first front-wheel drive system by powerful 24V Dual Motor connected with timing belt. Provides stable driving ability with silence, powerful performance and optimum distribution of car body weight.

World 1st metal differential gear system

Applied semi-permanent metal gear which has superior durability than plastic gear. Also provides new level of driving with stable at high-speed driving and accurate cornering by splitting the power at different levels between two wheels when the car makes a turn.

Independent 4 wheels Suspension

HENES Representative technic gas-pressurized shock absorbers and double-wishbone suspension are applied to all four wheels of sedan for the first time. This reduces road shock and provides dynamic driving to our kids.

Lithium-ion Battery

Equipped HENES' exclusive Li-ion battery developed by LG Chemistry. This enables car to drive 2 times longer and shorten 30% charging time than previous lead acid battery.

FEEL THE DIFFERENT LEVEL OF
DRIVING AND
STRONG POWER FROM
24V DUAL MOTOR

Electric steering system

Bucket seat / 4-points seat belt

Tablet PC smart system

Urethane foam tire

Proportional radio control

Bluetooth 4.0 LE compatible radio control

Openable door

Smart battery control system

MODEL	F830	F850 Silky
COLOR	White, Black, Red(3Colors)	
DRIVE TYPE	12V / Rear-wheel drive	24V / Front-wheel drive
	Directly conneted to wheel	Engine room in bonnet
STREEING	Fine control	
REMOTE CONTROL	Bluetooth	
ELECTRIC CONTROL	Total information system	
SUSPENSION	Front gas-pressurized shock absorbers	4wheel gas-pressurized shock absorbers
BATTERY	Lead-acid battery	Lithium-ion / Lead-acid
COVENIENCE	Tablet gauge	

- *Please refer to HENES website (www.henesworld.com) to see more detailed specification and function.
- *All models of HENES provide quality assurance for 6 months (refer to quality assurance on website)
- * You can choose lead-acid or lithium-ion battery and it comes with its own charger

Enjoy Silent, Dynamic F850 Silky
